The company specializes in contracting, training and consulting services at the local and international levels. With a team of highly skilled professionals and experts located in UAE, UK, Mauritania and Egypt.

## ABOUT GROUP

Established in 2010, Shahbour Group is a distinguished Egyptian petroleum and mining service Company with a legacy of over 14 years, dedicated to serving the petroleum industry across the Middle East. Originating as a provider of mine Clearance services in the Egyptian Desert, Shah Group has evolved into a comprehensive solutions provider.

Operating from well-established bases in Egypt, the United Arab Emirates, Mauritania, and the UK, with extensive connections across the Middle East, Our commitment extends to continual business development and regional expansion. Our new headquarters in Cairo acts as a strategic hub, ensuring effective management of marketing, sales, operations, and administrative support for our valued customers within our operational regions.

# ABOUT THE FOUNDER

Shahbour Group, founded in 2010 by Eng. Mohamed SHAHBOUR, a renowned drilling supervisor in the Middle East, collaborates with top engineers in the petroleum drilling sector. Eng. Mohamed SHAHBOUR, with experience dating back to 1959, has worked on onshore and offshore drilling rigs across various countries.

Shahbour Group, established in 2010, stands as one of the national oilfield service providers in the MENA region. Shah's comprehensive services include drilling, well testing, slickline, wireline, manpower, completions, stimulation, pumping, nitrogen services, and evaluation services, unlocking the full potential of reservoirs for its customers.

# PRODUCTS/SERVICES OVERVIEW

Shahbour Group's diverse portfolio encompasses Petroleum and Mining services, Well Services, Measurement Services, Industrial Services, Drilling Services, and Exploration Services. Backed by our commitment to excellence and extensive industry experience, we stand as a trusted partner, meeting the varied needs of the dynamic petroleum mining sector.

# CHAIRMAN MESSAGE FOR SHAHBOUR GROUP

Dear Shahbour Group Team and Families,  
I extend my heartfelt wishes for a prosperous and successful 2024 to you and your beloved ones. May this year bring abundant joy, good health, and happiness to every member of our Shah Group family.

As a key player in the oil and gas industry, operating across major basins in the MENA region. Our commitment lies in delivering exceptional service and implementing optimal technical solutions to address our customers' challenges, all while contributing to the economic development of the countries we serve. Simultaneously, we acknowledge our impact on the environment and the responsibility we hold. It is imperative that we continuously educate ourselves, reaffirm our commitment to global emission reduction, and champion sustainable energy resources.

We must actively work towards minimizing waste within our organization and the industry as a whole, prioritizing the well-being of our employees, their families, and the communities around us. Let us strive to be the most responsible organization, fostering a better climate and world for all.

Best regards,  
Amr Mohamed Shahbour  
Chairman, Shahbour Group

# MISSION & VISION

## Mission

Shahbour Group is committed to fostering a culture of innovation and adaptability among our dedicated team members. We strive to deliver unparalleled value by collaborating and crafting innovative solutions, ultimately maximizing asset value for our clientele.

Our unwavering dedication is geared towards meeting the global demand for affordable and reliable energy from oil and gas in an effective, efficient, safe, and ethical manner, with a steadfast commitment to minimizing environmental impact.

Shahbour Group has a wealth of experience in the mining industry, with a deep understanding of the sector and a track record of successful project execution. Our diverse skill set enables us to confidently navigate the challenges and opportunities in mining, while remaining committed to innovation, adaptability, and environmental responsibility.

## Vision

At Shahbour Group, we envision ourselves as leaders in the oil and gas industry, excelling in contracting, training, and consultations within the P&E fields. Our commitment to professionalism is unwavering, guided by:

- A team of qualified, innovative, and creative professionals.
- Effective and sharp management practices.
- Collaborative teamwork and a commitment to creativity.

In our pursuit of excellence, we are equally dedicated to environmental sustainability and green energy practices. We strive to operate in harmony with nature, minimizing our ecological footprint and contributing to a cleaner, greener future for the industry.

Furthermore, energy approach, fostering an atmosphere of adaptability, diversity, and forward-thinking.

We believe in the power of diverse perspectives to drive innovation and ensure resilience in an ever-changing landscape.

In addition to our expertise in the oil and gas industry, we bring vast experience in the mining field. This additional knowledge strengthens our holistic approach and allows us to provide comprehensive solutions to our clients.

# SHAHBOUR GROUP COMMITMENT LETTER

## Our Pledge to Excellence

At Shahbour Group, our commitment extends beyond corporate boundaries, aiming to elevate the economic and social well-being of our esteemed employees and the communities where we are privileged to operate. As an employer of choice, we aspire to make a positive impact on the fabric of the regions we call home.

Employee Development Shah Group's success is intricately tied to the ingenuity and dedication of our people. By embracing diversity, fostering a positive workplace environment, and providing fulfilling career opportunities, we attract and retain top-tier talent.

Our commitment is reflected in substantial investments in competitive compensation plans, robust health benefits, work-life programs, and comprehensive reward and incentive structures. Health, Safety, and Environment (HSE) Fundamental to Shah Group's strategy and core values is an unwavering focus on Health, Safety, and Environment (HSE).

Our leadership commitment, robust management systems, and the proficiency and dedication of our workforce form the bedrock of our "Excellence" as a Spring for zero safety incidents, zero environmental incidents, and zero nonproductive time.

# SHAHBOUR GROUP COMMITMENT LETTER

This commitment reflects our acknowledgment of the journey, acceptance of challenges, and an uncompromising stance on execution.

Diversity and Inclusion Shah Group embraces a comprehensive strategy that positions diversity and inclusion as integral elements of our corporate culture, on par with safety, technology, and integrity. Just as our esteemed customers do, we recognize the inherent value and business advantages of a diverse workforce.

# WHY SHAHBOUR GROUP?

Our Shahbour Group is an economic group that owns four companies that serve our aspirations and ambition to reach the goal we aspire to.

These companies operate within the mineral wealth and petroleum services sector, striving to establish a sustainable economic entity through diversified investments across various global regions. Notably, PETRO SHAH has a long-standing history in the petroleum services industry, making it one of the oldest activities within the company's portfolio.

- **PETRO SHAH COMPANY**
- **OIL AND MINING SHAH COMPANY**
- **QUATTRO SHAH FOR MINING COMPANY**
- **ARAB FOR MINING COMPANY**
- **quattro for mining**

# WHY SHAHBOUR GROUP?

## PETRO SHAH COMPANY

It was established in Dubai, United Arab Emirates. It is the oldest company in the Shahbour Group. Its experience in the field of gas and oil pipelines, as well as drilling and maintaining deep oil wells, extends to more than 64 years in partnership with the largest international companies and many governments in the Middle East and North Africa region.

## OIL AND MINING SHAH COMPANY

The company has a lot of experience in the field of drilling, exploration and maintenance of deep oil wells, as the company adopts the international technologies to raise the efficiency of oil fields and increase its production of oil and gas.

The company provides new models for public companies in the same field, whether in the Egyptian market or international markets, as well as in the fields of development and mining.

# WHY SHAHBOUR GROUP?

## QUATTRO SHAH FOR MINING COMPANY

It was established in 2021 in an Egyptian-Mauritanian partnership with the aim of promoting Egyptian-African investments, as it was able, through the Mauritanian Ministry of Petroleum, Mines and Energy, to obtain contracts to explore and extract gold ore within Mauritanian territory.

## ARAB FOR MINING COMPANY

It was established in 2021 in an Egyptian-Mauritanian partnership with the aim of promoting Egyptian-African investments, as it was able, through the Mauritanian Ministry of Petroleum, Mines and Energy, to obtain contracts to explore and extract gold ore within Mauritanian territory.

# WHY SHAHBOUR GROUP?

## QUATTRO FOR MINING COMPANY

Quattro for Mining is a leading company in the gold mining industry, dedicated to exploring, developing, and extracting valuable gold resources through innovation, expertise, and operational excellence. We are committed to delivering high-quality mining solutions while embracing responsible and sustainable practices that create long-term value for our partners, stakeholders, and communities. With a clear vision for the future and a passion for excellence, Quattro for Mining continues to pursue new opportunities, unlock the potential of natural resources, and contribute to the growth and development of the global mining sector.

## Mining Services

- **SHAHBOUR GROUP** objective is to become a world class diversified mining and minerals company, and to enhance overall value for its shareholders, to be a sustainable mining champion with a global presence.
  - **SHAH GROUP** is a group company that performs all of its actions with the utmost concern for human resources, health, and safety, environmental and social issues. It is committed to the protection of the health and safety of its employees and the environment.
  - **SHAH GROUP** is a leading mining and metals group company in EGYPT, with a diverse portfolio of mineral exploration, development, production, marketing and logistics. We have a broad commodity focus spanning gold, phosphate, aluminum, Feldspar, talc, Quartz, copper and industrial minerals, and we continually assess domestic and international opportunities.
  - More exploration works at south wadi Khashab in Egypt site are made by **SHAH GROUP** Company and new techniques for gold extraction is prepared at the begging of 2020.
  - The company is seeking for new methods and plant line for gold extraction with consideration to environmental criteria.
  - Some assumptions were used like geotechnical parameters and operating cost.
  - In mining business, it is recommended to start mining earlier than processing to allow for building good stock a head.
- This will assure smooth mill operation and thereafter a continuous flow of cash.

# OUR EXPERIENCE

- During the period from April 2015 to September, the company, in partnership with Tpic Turkish Petroleum International Company, conducted drilling operations for 24 oil wells in the Ar Rumaylah region of southern Iraq. These drilling activities were carried out for the benefit of the Iraqi Southern Oil Company (SOC).
  - From 2015 to 2021, the company provided UMI Arab in Libya with a comprehensive range of services, including the supply of skilled workers, equipment, and spare parts for excavators. This collaboration facilitated UMI Arab's operations and contributed to their success during the specified period.
  - In partnership with the Alexandria Mining Company (Amco), the company engaged in the production of natonite ore. This mineral was subsequently exported worldwide, with one of the prominent recipients being the American company, MI. Through this collaboration, the company played a significant role in the global supply chain of natonite ore.
- From 2013 to 2016, the company acted as the exclusive agency
- for the Chinese company RG in the Middle East region. As the authorized representative, the company facilitated the manufacturing of rigs and the supply of spare parts specifically for oil rigs. This partnership bolstered the company's presence in the region and contributed to the efficient operation and maintenance of oil rigs during the specified period.

# OUR EXPERIENCE

- Since 2018 and continuing to the present, the company has been actively involved in the exploration and extraction of gold ore in the Eastern Desert region of the Arab Republic of Egypt. This endeavor has been made possible through a partnership with Shalatin Mineral Resources Company. Together, they have combined their expertise and resources to conduct gold mining operations in the designated area. The collaborative efforts have yielded significant progress in the extraction of gold ore, with ongoing activities taking place to maximize the potential of this valuable resource.
- Since 2021 and continuing to the present, the company has been actively involved in the exploration and extraction of gold ore in the Nawazibo region of the Islamic Republic of Mauritania. This commitment highlights the potential of this region as a significant gold mining area. Through the utilization of advanced exploration techniques and mining practices, the company aims to unlock the valuable gold resources present in the region. Ongoing efforts are focused on maximizing the efficiency and productivity of the extraction process to capitalize on the rich gold deposits in the Nawazibo region.
